Culture is the Catalyst

Allyon, a WOSB, partners with Federal agencies and prime contractors to deliver solutions in Cybersecurity, Enterprise IT, Cloud Infrastructure and Engineering, and Program Management. With more than 17 years of experience supporting DoD and civilian missions, we provide nationwide and OCONUS coverage so mission objectives are achieved at every point of mission execution.

We hold a Top Secret facility clearance and are fully procurement-ready with all required registrations and compliance documentation. Allyon combines organizational maturity, veteran-friendly hiring practices, and robust back-office infrastructure to serve as a prime contractor and enable strategic teaming that drives mission success.
